Narrative: Homesites, cabins, and the Steese Highway are within 1 mile of the fire. Smoky conditions slowed traffic and closed the road intermittently throughout the day. Burnout operations were initiated along the highway and the dozer line. The loss of one structure was the result of a run that the fire took late last night/ early this morning, other structures are currently being threatened. The fire is experiencing extreme fire behavior and significant spread is to the north and the east. There are 86

total personnel on this incident.
